

a)

Coordinates filtering

occurrences without coordinates = 0

occurrences filtered = 531

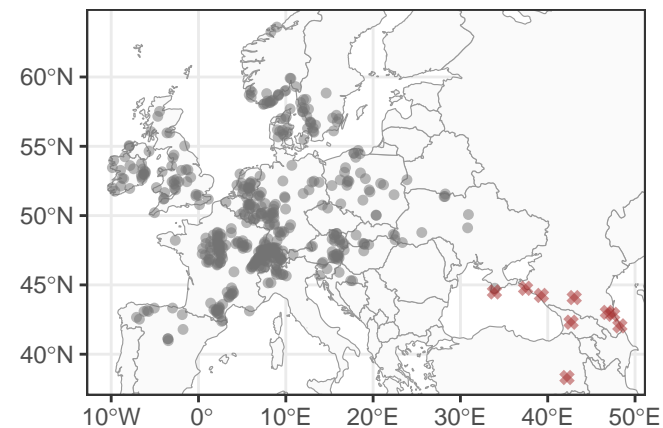

Filter reason

- occurrences kept for later tests
- Duplicated--GridCell
- not terrestrial habitat
- Exact Duplicated coordinates

b)

Geographical outliers tests

9 occurrences removed by these tests

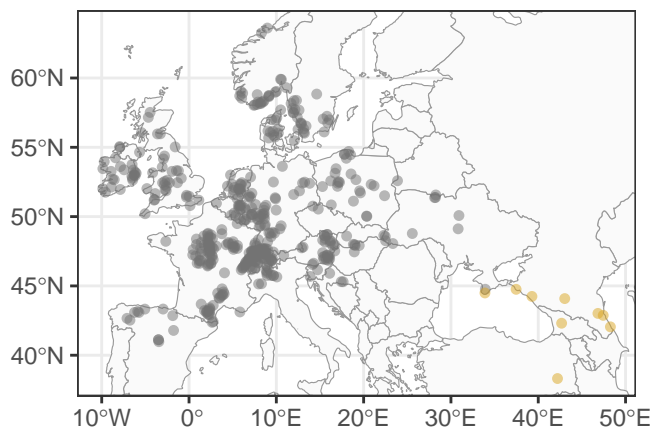

Filter results

- Removed
- Kept occurrences

c)

Land uses and human influence tests

No occurrences filtered by these tests

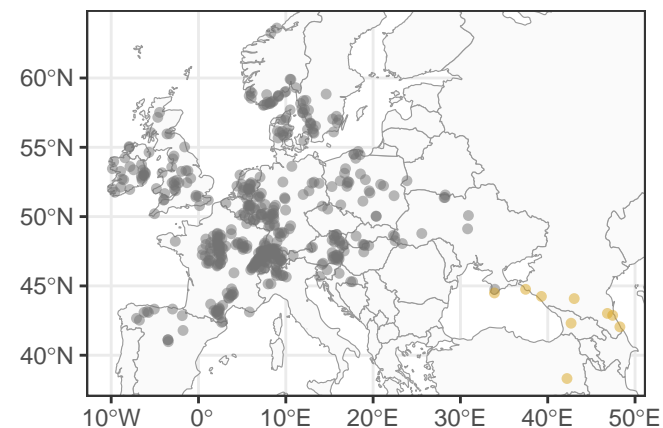

Filter results

- Removed by another test
- Kept occurrences

d)

Environmental outliers tests

No occurrences filtered by these tests

Filter results

- Removed by another test
- Kept occurrences
